## Career Profile

Results-driven Computer Science graduate with expertise in data analysis, web development, and machine learning. Skilled in AI-driven automation, creating scalable solutions, and optimizing workflows. Passionate about solving complex problems using cutting-edge technologies.

## Education

B.Tech in Computer Science Engineering

SVERI's College of Engineering, Pandharpur (2023) | Score: 78.78%

## Technical Skills

- Programming: HTML, CSS, JavaScript, Python, SQL, PostgreSQL
- Frameworks: scikit-learn, Pandas, NumPy, Seaborn, Matplotlib
- Tools: VS Code, Jupyter, Anaconda, Git, GitHub, Power BI, Excel
- AI Tools: ChatGPT, Claude, GitHub Copilot, Cursor, Replit, Windsurf
- Capabilities: Automation, Debugging, Data Analysis, Code Optimization, Workflow Streamlining

## Professional Experience & Projects

### AI Agents for Finance Analysis and Coordination

- Developed an AI-driven finance agent comparing stocks based on analyst recommendations and fundamentals.
- Built a multi-agent system enabling seamless data exchange and automated financial insights.

### E-Commerce Website Development

- Designed a responsive e-commerce platform with a modern, component-based UI.
- Integrated a dynamic backend for seamless inventory and order management.

### Data Analysis: Customer Churn Prediction

- Developed a machine learning model predicting customer churn with 85% accuracy.
- Created Power BI dashboards for real-time insights and automated data visualization.

## Key Achievements

- Automated Excel reporting system, saving 20+ hours per month.
- Designed intuitive Power BI dashboards enhancing data-driven decision-making.
- Optimized code efficiency using AI-assisted tools, reducing execution time by 30%.

## Certifications

- Data Analyst Skillpath (Excel, SQL & Python) - Udemy
- Excel Automation Using ChatGPT - Simplilearn
- Python Libraries for Data Science - Simplilearn

## Professional Skills

- Problem-Solving | Analytical Thinking | AI-Assisted Development | Data-Driven Decision Making

## Languages

- English: Professional | Hindi: Native | Marathi: Regional
